FOREWORD

To you, the Librarian and Collector:

Numismatic book sales in the 20th century are rare, Books are the basis of this international hobby. Coin collecting is the second foremost world hobby; all libraries need numismatic books, and where can they be purchased?

Fortunately many reprints exist today to help the librarian and collector, but the bulk of the works only come in original editions.

This is the first part of a 1700 lot library, as space did not permit us to sell the library at one time.

Some book sets were split up and we are selling one part now and the balance later. Don't neglect to buy the "loose" lot as the other parts will be sold in the Spring.

Mail bidders should be generous in bidding as prices on books are high. We will try to buy them for you at the lowest prices possible. To anyone who has not purchased from us in our 30 years of auctions in the U. S. and a century of existence in Amsterdam, the Netherlands, may we assure you of our reputation and reliability.

Inquiries may be made from any coin establishment in your city for information about us.

GOOD LUCK!

TERMS OF SALE

1. Auction sales ARE NOT approval sales. Read these terms carefully. By submitting bids you agree to the terms set forth below. All coins have been classified by experts and while errors will be gladly corrected NO LOT MAY BE RETURNED WITHOUT WRITTEN PERMISSION. Request to return books MUST BE MADE WITHIN THREE DAYS OF RECEIPT OF BOOKS.
2. All bids are to be by LOT as numbered in the catalogue. When identical bids are received, preference is given to earliest bidder.
3. This is a UNRESTRICTED PUBLIC AUCTION. All bids are entered as received and highest bidder will be the buyer. Mail bidders may feel free to submit any bid they wish and each lot will be purchased for such bidders at the next highest bid over room bidders.
4. Bidders must establish credit or have on deposit 25% of TOTAL bids.
5. Purchases may be picked up at our office within the first week after sale. Mail bids will be sent within approximately 2 weeks after sale as the processing of books will take some time.
6. All ACCOUNTS MUST BE SETTLED PROMPTLY IN U. S. FUNDS, or in other currencies if special arrangements have been made. We reserve the right to charge interest on overdue accounts.
7. Lots delivered in New York City are subject to 5% Sales Tax. Mail buyers in New York State pay 2% Sales Tax.
8. There will be no charge for executing bids, but postage & insurance + a handling charge of 50c per lot must be added to cover the cost of packing and processing.
9. Where estimates are given they represent either the owner's idea of value or our professional opinion as to what they should bring. IN ANY EVENT THEY ARE ONLY ESTIMATES AND YOU CAN BID HIGHER OR LOWER. We recommend however, if you want the lot, bid close to or over estimate.
10. All books are as described. All descriptions have been written by Hans M. F. Schulman and Herman Steinberg.
11. The buyer who acts as agent for third parties is the only person responsible for his purchases towards the auction house. Third parties refusing to accept books from the agent are entirely the responsibility of the agent. The auctioneers cannot accept returns from agents because of third parties for any reason whatsoever unless books were bought with specific special arrangements between the agent and the auctioneers.
12. Books are not returnable without permission granted, and then 10% of the price will be charged.
13. Minor's bids are not accepted.
14. In case of dispute the decision of the auctioneer is at all times final.

WE SELL 150 to 200 LOTS PER HOUR IN THIS SALE.

BOOKS WILL BE DISPLAYED AS SOLD
